

UPDATE NO. 3

In Assembly Updates No. 1 and 2 we provided information regarding the venue, key events and purpose of the Assembly. Assembly is also an opportunity for the whole UCCSA family to bear public witness to the love of God.

At this year's Assembly we wish to make visible the love and compassion of God through the creation of a food bank. We encourage you to bring to the Assembly a donation of at least 1-2 non-perishable items such as tinned fish, canned peas, rice, flour, and other food. The food brought to and collected at the Assembly will be distributed to families in the Mmabatho/Mahikeng community and surrounding areas who are in need.

Our prayerful commitment to share the Assembly food bank will show that we take seriously the words of Jesus in Matthew 25: 35. Wherever we meet the need of those who are hungry and thirsty, we serve them as if we were serving Jesus himself.

In this way we also stand in solidarity with those in need and give meaning to our commitment to participate in suffering and struggle.
